

Temporary stonemason positions at Nidaros Cathedral Restoration Workshop

The tasks are:

- Ashlar stones, mouldings, and possibly some ornamentation and sculpture, all worked with traditional tools and techniques.
- Assist with restoration work on the scaffolding, both at Nidaros Cathedral and other listed stone buildings.

About the workshop:

The National Center of Competence for Listed Buildings in Stone is a department at Nidaros Cathedral Restoration Workshop. The department consist of six workshops and a research and investigation unit. Our main task is to take care of Nidaros Cathedral and the Archbishop's Palace. In addition, we have a number of external assignments relating to listed stone buildings. In the stonemason's workshop, we are now looking for two versatile stonemasons for temporary employment from the summer of 2023 until the end of the year.

Please send application and CV to rune.langaas@nidarosdomen.no or to postmottak.ndr@nidarosdomen.no

Deadline: June 18th

Any questions, please contact Rune Langås by phone: **(+47) 415 31 565** or by e-mail: rune.langaas@nidarosdomen.no
